

Our partnerships with leading associations

Joint Ventures

A growing regulatory burden has become a fact of business life. Firms must learn to adapt to new competency procedures and train employees to work within the new framework. They must achieve exacting standards within tight deadlines.

Our solutions have become a fixture in some of the UK's biggest firms because we understand the need to mix superior training methods with dependable, high quality content. Our joint venture courses are written by recognised experts and provide the best content available on the market.

Here's a snap shot of our joint venture partners and the courses we produce.

beachcroft

Beachcroft LLP – Beachcroft is one of the largest commercial law firms in the UK. The firm has a dedicated employment training team with extensive experience of training managers and HR teams throughout industry. Together we have developed a cost effective range of online employment law courses.

Visit www.beachcroft-elearning.co.uk for more information.

British Bankers Association (BBA) - The BBA is the principal trade association for banks operating in the UK with over 200 members and high profile associates. Together we have successfully solved the Anti-Money Laundering training needs of hundreds of financial institutions.

commissum

Commissum - Commissum is one of the country's leading IT security consultancies. It is frequently hired by some of the country's biggest financial institutions to fight the threat of criminal activity. Our partnership has produced a course that helps blue chip organisations train their staff to spot the signs of activity before it becomes a crime.

Our partnerships with leading associations

Joint Ventures

Council of Mortgage Lenders (CML) - The CML is the trade association for the mortgage lending industry, and its members account for around 98% of UK residential mortgage lending. Our partnership has produced training solutions for lenders dealing with both mortgage and general insurance regulation.

Visit www.cml-learning.com to request a demo.

APACS

BRITISH BANKERS' ASSOCIATION

Industry Fraud Consortium - The Industry Fraud Consortium is made up of APACS, the UK payments association, the British Bankers Association and CIFAS. It is dedicated to helping organisations that may be vulnerable to ID fraudsters. Together we are helping managers train their staff to spot and stop identity fraud criminals.

Visit www.idfraudpreventiontraining.com to request a demo.

ifs School of Finance - The ifs School of Finance is a registered charity incorporated by Royal Charter. It provides financial education to financial services professionals the world over and to consumers in the UK. Together we produced the Competence Maintenance Tool for mortgage advisors.

Visit www.ifse-learning.com for more information.

Navigant - Navigant Consulting is a specialised consulting firm providing clients with help and support when they face significant changes. Our partnership focused on its strength in the insurance industry and we produced a course to help firms become compliant with general insurance regulation.

Visit www.insurance-learning.com to sign up for a demonstration today.

Securities & Investment Institute (SII) - The SII is the largest and most widely respected professional body for those who work in the securities and investment industry in the UK. Together we have launched a course to help employees in the financial services sector understand and enforce the established code of ethics.
